I certainly hope this will be  
a significant milestone but will  
withhold judgment until I see  
the OSP proposal. I believe  
we will want to study this  
draft very closely involving  
PPBS and perhaps IEC in the  
preparation of a response..

In a similar vein,  
we still have the  Committee  
Study pending. I'm not sure  
who has read their report but  
perhaps now is the time to  
devote some time to it.

Exec Dir - WDC  
John -

I rec'd call from [redacted]  
(OSP) re draft document on  
EOI "processing facility" which  
he promised us for review before  
letting out to outside world -  
its now drafted & he is sending  
2 cys to us - expecting comments  
back in about a week.

I sort of regard this as a  
significant milestone in our  
relations with them on EOI.
